NATIONAL WORKSHOP

05.05.2017

ON

RECENT ADVANCES IN CHEMICAL SCIENCE

**ORGANIZED BY: DEPARTMENT OF CHEMISTRY,
SALIPUR AUTONOMOUS COLLEGE, SALIPUR.**

CUTTACK. ODISHA.

IN COLLABORATION WITH

ORISSA CHEMICAL SOCIETY

VENUE:

Salipur Autonomous College, Salipur established in the year 1964, is located at a distance of 25 km from the district headquarter Cuttack, on the Cuttack – Kendrapada state highway. It stands against the backdrop of panoramic, sylvan Chitrotpala, just about a kilometre away from the Salipur bazaar. Eminent persons from various walks of life who have made significant contributions towards the advancements of Odisha have hailed from this College. The College has been reaccredited by NAAC. The department of Chemistry has an approved research laboratory where many research scholars have completed their Ph.D. Some staff members have done their post doctoral fellowship abroad while some have availed INSA visiting scientist fellowship.

OBJECTIVES OF THE WORKSHOP:

Chemical Sciences being an interdisciplinary subject holds together the entire science community. On one side it holds the Physical Science while on the other the Biological Science. It includes Material Chemistry, Chemical Engineering, Biochemistry, Pharmaceutical Chemistry and others. With the development of Nano Technology the scope of Chemical Science has increased manifold. Since it is a wide subject with many research work being carried out throughout the globe, hence the coming together of academics, industrialist and researchers from different parts of the country and sharing their knowledge is not only beneficial for them but also for the growth of Science and Technology.

CALL FOR PARTICIPATION:

Students, researchers and faculty members are invited to participate in the workshop for updating their knowledge.

REGISTRATION FEES:

Non OCS Members: Rs 200

For OCS Members,

- i) Students: No Fees
- ii) Others: Rs 100

CONFIRMED SPEAKERS :

1. Prof. Manish Bhattacharjee, Dept. of Chemistry, IIT Kharagpur.
Topic: Organo metallics.
2. Prof. Ambikesh Mahapatra, Dept. of Chemistry, Jadavpur University.
Topic: Quantum mechanics.
3. Prof. Kalyan K Mukherjea, Dept. of Chemistry, Jadavpur University.
Topic: Inorganic-Bioinorganic.
4. Prof Satyaban Jena, Dean(Academic), KIIT University, (Former Professor, Dept. of Chemistry, Utkal University).
Topic: Skilled Development in Problem Solving in Organic Chemistry.

ORGANISING COMMITTEE

PATRON:	UGC
Chairman of Organising Committee:	Prof Rajendra Kumar Mohanty, Principal, Salipur Autonomous College, Salipur.
Convener:	Mrs Prakasini Ray, Head, Department of Chemistry.
Co-Convener:	Dr Pradyumna Choudhury.
Secretary:	Dr Santosh Kumar Samal.
Treasurer:	Dr Asit Parija

PROGRAMMEE:

09.00 - 10.00 am – Registration and High Tea.

10.00 – 10.30 – Inaugural Session

10.30 – 01.00 – FIRST SESSION

10.30 – 11.15 – Lecture – 1

11.15 – 12.00 – Lecture – 2

12.00 – 01.00 – Lecture – 3

01.00 – 01.45 – LUNCH

01.45 – 04.45 – SECOND SESSION

01.45 – 03.15 – Lecture – 4

03.15 – 04.45 – Lecture – 5

04.45 – 05.00 – Tea

05.00 onwards VALEDICTORY
